

CHRISTOPHER BALDWIN

Commercial Transportation Professional | Business Owner

Kansas City, Missouri | 816-745-3327 | info@baldwinmedicallogistics.com

PROFESSIONAL SUMMARY

Experienced commercial transportation professional and current FedEx Corporation Switcher Operator with approximately two years of hands-on experience supporting high-volume logistics operations. Missouri Class A CDL holder with Hazmat, Tanker, and Doubles/Triples endorsements and TWIC credentials. Founder and Owner/Managing Member of Baldwin Medical Logistics LLC, established in 2026, with focused training and preparation in medical logistics, DOT compliance, healthcare transportation, chain of custody, temperature-controlled transport, and hazardous materials safety.

PROFESSIONAL EXPERIENCE

FEDEX CORPORATION - Switcher Operator

2024-Present | Current Position | Approximately 2 Years

- Position and move trailers safely within a fast-paced FedEx facility and yard environment.
- Perform pre-trip and post-trip inspections and identify equipment or safety concerns before movement.
- Support high-volume freight and logistics operations by coordinating trailer placement with dock and yard needs.
- Maintain safe vehicle operation, situational awareness, and compliance with company and DOT-related procedures.
- Apply commercial driving experience, trailer control, backing, coupling/uncoupling, and yard-safety practices daily.

BALDWIN MEDICAL LOGISTICS LLC - Owner & Managing Member

2026-Present | Kansas City, Missouri

- Founded and organized Baldwin Medical Logistics LLC in 2026 as an owner-operated healthcare logistics company.
- Developed operating procedures, compliance documentation, safety protocols, and vendor-readiness materials.
- Prepare the company for medical specimen, pharmaceutical, medical-supply, and healthcare logistics services.
- Oversee business operations, regulatory compliance, customer service, equipment readiness, and contract development.
